### HOME EQUITY SPECIAL!

Time to fix up your home? Before you take out a personal loan or run up a credit card, check out our home equity loans. A home equity loan might be just the thing!

If you're facing a mountain of debt, a personal loan for debt consolidation might be your best choice.

Before you commit, though, look at what got you into this situation.

Make sure you've got your spending under control and get a realistic picture of your income and what you can afford in the way of payments.

Paying off high-interest debt like credit cards can save you big money, so talk to ALCOA PITTSBURGH FCU about your debt consolidation options!
