SAVE \$100 on GAP or MRC Coverage

Don't worry about your vehicle. Through September 30, 2022, take \$100 off our affordable GAP and MRC coverages!

Guaranteed Asset Protection (GAP)

Primary auto insurance settlements often won't pay off your entire loan balance. When you buy a new or used vehicle, there's no way to know if it will be stolen or totaled in an accident. With GAP coverage, you protect your investment against a possible financial loss.

Mechanical Repair Coverage (MRC)

Protect your wallet with Mechanical Repair Coverage. You won't have to worry about unexpected repair costs, and it could save you thousands of dollars. MRC pays for the cost of covered repairs less any deductible.

For a limited time, take \$100 off the price of these coverages. You can add the coverage to a new or existing Alcoa Pittsburgh vehicle loan.

Convenient eStatements

Paper statements clutter the counter, waste valuable resources, and invite prying eyes. But when you sign up for eStatements, you solve all three challenges! You can also receive your information sooner, viewed within Online or Mobile Banking. Track your transactions, payments, and loan balances, and view up to 18 months of statement history. Enroll at www.alcoapittfcu.org.
